

Decreasing Homelessness

PAM WILL CONVENE HOMELESSNESS TASK FORCE

“At the request of Auburn Mayor Nancy Backus, State Senator Joe Fain and I will co-host a series of forums on homelessness for local elected officials. We all want action items. North Pierce and South King County will work together FOR THE FIRST TIME to prevent and reduce homelessness.”

We must:

- Reduce the supply of illegal opioids like heroin and Oxycodone
- Recognize it is less expensive to house people than to jail them
- Provide treatment and work toward family reconciliation

Pam is endorsed by Auburn Mayor Nancy Backus. Auburn donated \$400,000 for a new community medical center in Tacoma for addiction and mental illness.

“I took this photo from a boat on the Puyallup River when I was the guest of the Puyallup Tribe,” said Pam. “Encampments on the river pollute the water and prevent access by others.”
